Title: **Negau – Songs from Asia**

©+® 2009 Oriente Musik

The audience of Anna Saeki's concerts will remember - they appreciated very much the "breaking up" of her Tango and Milonga program with some songs from South East Asia. And here we are with NEG AU. Folk songs and chansons from Japan, Korea, China, Thailand, Vietnam und Mongolia, carried into a Tango spirit with sensitiveness and empathy. Pieces of art, somehow irritating, tender and delicate, fragile and frisky.
